Birth Center Now a Locked Unit

Effective June 20, the Birth Center became a locked unit, it will only be accessible to employees with an authorized access badge and to patient, visitors and all other employees via use of the intercom system.

This directly impacts all visitors to the following Harrison Campus units: Birth Center, 3 Main, 4 Main and Labor and Delivery. Intercoms will be located at the entrance to Mother/Baby on 3 Main, Mother/Baby/Women's wing on 4Main, as well as Labor/Delivery. The only access to the fourth floor will be via the main elevators and Stairwell C without badge access. For more information, please contact Margaret Gerulski at 583.4451.
