## IV Medication Discharge Order Set Changes

To ensure a patient's IV medication is continued after a hospital discharge and correctly prints on the patient's AVS, please use the Order set **GEN: Intravenous Antibiotic Discharge Prescriptions**. The prescription will print for the provider to sign. A tip sheet outlining the steps is available in the Epic Library on the Covenant Intranet. In the search field you can type "Prov IV" and select "PROV IV Therapy after Discharge." The tip sheet is also available on the Learning Home Dashboard within Epic. If you need further assistance, please call 583.4500 and ask for 'Epic Support' between 8:00am and 4:30pm.

## Ultrasound Services now offered at our Frankenmuth campus

Located within Covenant HealthCare North Main, ultrasound services will now be provided on Tuesdays and Fridays from 7:30am to 4:30pm. The scheduling process remains the same, to schedule your patient's appointment call Covenant Central Scheduling at 583.6278.

Extraordinary care for every generation.
