PROGRAMS & SERVICES

Mandatory TB Testing Continues

Annual TB testing continues. TB testing is required for all physicians. Tests should be read within 48 to 72 hours of receiving the injection. Clinics run through May 1. A partial list of Employee Health Clinics is listed below. We will continue to publish updated clinic information in future issues. A complete list of clinics is available in OPR:

Wednesday	April 9	7:00 – 8:00AM	Cooper-Bickel Room (TB readings only)
Monday	April 21	8:30 – 9:30AM	600 Irving, second floor Employee Health
Monday	April 21	1:00 – 2:30 PM	Mackinaw Lower Level Conference Room
Wednesday	April 23	8:30 – 9:30 AM	600 Irving, second floor Employee Health
Wednesday	April 23	1:00 – 2:30PM	Mackinaw Lower Level Conference Room
Tuesday	April 29	2:00 – 3:30PM	Houghton Conference Room second floor
Thursday	May 1	2:00 – 3:15PM	Houghton Conference Room second floor (TB readings only)

For more information, please contact Jennifer Jarabeck, RN at extension 583.6018.

Physician Parking Lot Update

- New more reliable access gates will be installed in approximately four weeks.
- Security will be patrolling the designated physician parking lots to ensure that the lot is being utilized appropriately. Vehicles are monitored in the designated physician parking lots based on the license plate numbers on file that you have provided. If your vehicle(s) is not registered please be aware that you may receive a reminder on your windshield. If you have not registered your vehicle(s) please contact Medical Staff Services at 989-583-6595 or Physician Relations at 989.583.4040. Thank you for your patience.

PM&R Fourth Annual Pediatric Symposium Set for May 16

Covenant staff have joined together to bring you the Fourth Annual PM&R Pediatric Symposium on May 16, from 8am-4:30pm at the Mackinaw Campus. Our interdisciplinary presenters will discuss important and challenging areas of practice within the pediatric population. Presenters will provide lectures on a myriad of topics; from the latest practice for head shaping treatment to medical management of neonatal withdrawal. A parental perspective will close the day to provide a different framework for professionals to consider.

A full brochure will be available soon. For more information, please contact Kathy Bocade, PM&R Secretary 583.6414.

ETC.

A Word from Spence Maidlow, CEO

If you did not receive an email from Spence Maidlow, CEO with updates from our last active medical staff meeting on March 18, please contact Patti Roesner at 583.6595 in Medical Staff Services to assure we have the correct email on file. Thank you.

Step Up Amputee Clinic for your patients

Covenant HealthCare Physical Medicine and Rehabilitation and Bremer Prosthetics presents Step Up! an amputee clinic occurring on the second Thursday of each month through June 2014 from 4pm-6pm. The clinic location is Covenant HealthCare Michigan campus. The clinic is free and open to all lower extremity amputees interested in learning techniques for increasing functional prosthetic control. All age groups and activity levels can attend and family members are welcome. For more information, please call Bremer Prosthetics at (989) 249-9400.

Extraordinary care for every generation.
