NEWS BRIEF

News about Covenant HealthCare from the Office of Physician Relations
June 16, 2014

BUSINESS UPDATES

Parking Lot Update

In order to continue ensuring that inappropriate parking doesn't occur in the physician parking lots, new more reliable gates will soon be installed. Current park cards and remote openers are expected to be compatible. Security thanks you for registering your vehicle license plate numbers and will continue to patrol the lot. If you have not already done so please register your license plate number so your vehicle can be identified. You may contact Medical Staff Services at 583.6595 or Office of Physician Relations at 583.4040. Please stay tuned for further updates.

Reminder: When Entering Diet Orders

When writing diet orders for your patients, please don't put any comments in the actual diet order as the comments do not come across into our CBORD system (Nutrition Services/ EPIC interface). If there are concerns or special indications regarding diet, please consult dietician with requests or explanations.

Message from OPR

Recently it has come to our attention that some physicians are having issues when opening The Physician News Brief and perhaps other documents coming from Office of Physician Relations via email. After investigation, it was found that the encryption program recently changed, which now involves a higher level of security. The issue has been rectified, however if anyone experiences further difficulties, please contact Maryvonne DeSmyter, Office Administrator, at 989.583.4040 or mdesmyter@chs-mi.com.

NEW FACES

Welcome

William Cottrell, III, DPM, Podiatry, 1300 N. Michigan Avenue, Saginaw, 989.752.8189.
Galina Gladka, MD, Internal Medicine, 125 Colony Drive North, Saginaw, 989.790.0070.

EVENTS

Reminder: Active Staff Meeting is Tuesday, June 17

All physicians are welcome to attend the quarterly Active Staff meeting to be held Tuesday, June 17 at 12:00 pm in the Cooper Lecture Theater. Lunch is served starting at 11:30 am. For those who have not attended a physician HRO training session, there will be one immediately following the meeting.
