

**Sample Bequest Language
For
Covenant HealthCare Foundation**

This bequest language is provided as a service of the Covenant HealthCare Foundation for the donor's attorney. It is not offered as, or intended to be, legal advice. Michigan law has strict requirements governing the creation of a valid last will and testament and a donor should always obtain the assistance of an attorney when making or adding a codicil to a will. Staff of the Covenant HealthCare Foundation will be happy to work with you and your attorney to draft a bequest for the benefit of Covenant HealthCare patients. Should you choose to designate a specific department/unit at Covenant as the beneficiary, please reword the language found in the sample below to say, "...to be used for the benefit of X department/unit.
