Annual Active Medical Staff Dinner Meeting – December 6

The Annual Active Medical Staff dinner meeting will take place Tuesday, December 6 at 6:00 p.m. at Apple Mountain. With your RSVP, please include your dinner selection of Chicken, Beef, or Vegetarian. Please RSVP by November 25 to 989.583.6595 or 989.583.4133.

Reminder to Please Check-In when Rounding on 6 Main

With the recent *LEAN Empower! Events* on Harrison 6 Main, many physicians have seen a decrease in phone calls made after leaving the floor. This is a reminder to all physicians when rounding on Harrison 6 Main to check in at the front desk with the HUC upon arrival and departure, which will allow for all nurses to be aware and for physician/RN rounding to occur.

Thank you for your continued support, if you have any questions regarding our LEAN Process or this initiative please contact Dr. Michael Sullivan at MSullivan@chs-mi.com.

ePrescribing Tips

When providers are placing electronic prescription orders for patients being discharged they must have the accurate Ordering Provider, Authorizing Provider and Attending Provider. Group names/practices are not permissible and will cause the interface to fail. Failure to accurately identify these providers will result in the Pharmacy **NOT** receiving the electronically prescribed medication and therefore **will not** be ready for the patient when they arrive to pick them up.

Select Specialty Hospital Appoints New Physician Leadership

Select Specialty Hospital is pleased to announce new appointments to their Medical Executive Committee. Dr. Ayesha Khan has recently accepted the position of Medical Director and will be tasked with overseeing the medical staff and medical affairs of the hospital. Dr. Asad Mehboob has accepted the position of Quality Program Director and will be responsible for supporting the hospital quality, risk management, patient safety and infection control programs.

Welcome to the Medical Staff

Gaughan, Eric, DPM, Podiatric Medicine

4224 State Street, Saginaw, 989.790.8009

Tobin, Sue, DO, Medical Oncology

5400 Mackinaw, 5th Floor, Saginaw. 989.583.5060

Extraordinary care for every generation.
