## Thank you for Attending Doctors' Day Event

Thank you to those who were able to join us at the Doctors' Day Celebration. We had a nice turnout, warm indoor location, good company and the food was delicious! Happy Doctors' Day!

## Important Change to Admission, Transfer and Discharge Orders

Due to a recent change, a patient may only have a **SINGLE** admission, transfer, and discharge order. If multiple orders are placed, the system will cancel the previous order and use the newest. This has caused some confusion because when the order for admission is placed by the ECC physician, the attending then is placing a new order and this new order is discontinuing the original order. CRM needs the original order from ECC to stay in the chart. The attending provider should **MODIFY**, not discontinue, the admission order to place the correct physician name in the admitting field. If you have questions about modifying the order, please work with any Case Manager on the nursing units. For questions, please contact eCovenant EMR Support at 989.583.4500.
