## New Physician Call Schedule Fax Line

In order to streamline the call schedule process here at Covenant HealthCare, we are asking that ALL physician call schedules and changes be sent to the new physician call schedule fax at 989.583.1036. This fax line will be monitored by both the ECC and Medical Staff Services. Additionally, all call schedules are now viewable via the Physician Call Schedule Link on the resource page. Thank you in advance for your cooperation.

## New Product Acquisition and Evaluation Process

All physicians at Covenant HealthCare are encouraged to attend a session highlighting the new Clinical Quality Product Value Analysis (CQPVA) Program. The sessions will run every 15 minutes. At each session you will learn about the program and how Covenant has reorganized the product acquisition and evaluation process. This has been developed with physician participation to create a standardized process that will ensure each product brings value to our patients and the organization.
