Lab Moving to Online Ordering for Supplies

Effective December 1, 2015 Covenant HealthCare Laboratory is converting exclusively to online ordering for lab supplies. To place a supply order, go to www.CovenantLab.com.

- On the upper left hand side of the screen click *Online Supply Order*
- Fill in the products and quantity of the items needed
- To complete order, click *Place Order* on the bottom of the screen

Transitioning to an online process will assist our operations in staying current with the latest federal regulations and guidelines. As a result, you may notice that the supplies offered will change or be removed from time to time. Clients will be receiving a letter in the mail with Login and Password information for online supply ordering. For questions or assistance during this transition, please call the Lab Customer Service line at 989.583.6742.
