Osteopathic Musculoskeletal Exam Requirement

The Utilization of Osteopathic Methods & Concepts Committee would like to remind you that when an H & P is completed by a Doctor of Osteopathic Medicine, an osteopathic musculoskeletal exam is required, unless otherwise medically indicated. You can use the smart phrase in Epic: .OSTEO, which contains all the required elements of the exam.

Electronic Narcotic Prescribing –

Implementation for ePrescribing medications including Controlled Substances is set to go live January 2016. At this time, we are offering this to ECC and physicians that see patients in the hospital. There is one final training session scheduled for Tuesday, December 15 from 7 am – 4 pm in the Copper Executive Room. Please come to review work flow changes and to register physician fingerprints for second authentication.
