

Step Up!®

Amputee Training Program for Lower Extremity Amputees

Join us for this **FREE** Program presented by **Covenant HealthCare** and **Bremer Prosthetics**

WHO Open to all lower extremity amputees, their families and rehabilitation professionals who would like to learn techniques for increasing functional prosthetic control. **No age limit.**

WHEN **SECOND THURSDAY OF EACH MONTH • 4:00 pm – 6:00 pm**
 2019 October 10
 November 14
 December 12

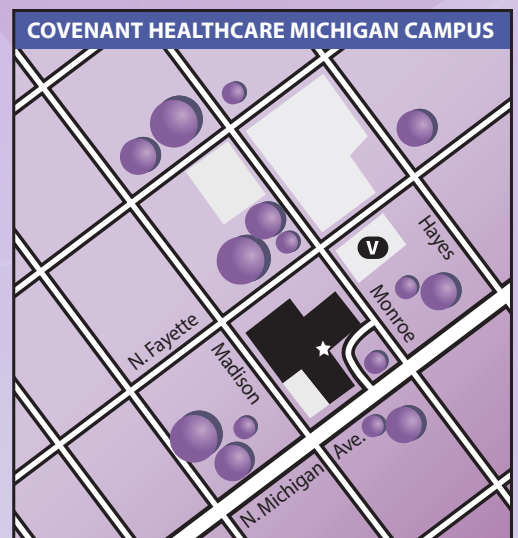

WHERE **Covenant HealthCare**
Outpatient Therapy, Lower Level
515 North Michigan
Saginaw, MI 48602

Scott Baranek, a 24 year amputee and certified prosthetist, will teach participants various exercises and training methods designed to help amputees reach their maximum potential while living life with a prosthetic limb.
