HealthCare

Extraordinary care for every generation.

“Everything that we do and the way we go about it
is always dedicated to putting the patient
and his or her needs first.”

ED BRUFF, PRESIDENT/CEO

Carrying out the mission of providing “Extraordinary Care For Every Generation” means having an employee family who lives out the “We Care” values that Covenant emphasizes.

Working Together – We understand that teamwork is the foundation of our success.

Excellence – We strive to be the very best that we can be.

Customer Service – We commit to an unsurpassed level of service to our patients.

Accountability – We are responsible to our communities, our organization and to each other.

Respect – We treat others as we would want to be treated.

Enthusiasm – We project a spirit and attitude that is positive and optimistic.

Everything that we do and the way we go about it is always dedicated to putting the patient and his or her needs first. Through your Annual Fund gift, you can provide the necessary funds to help us achieve our goal of providing the extraordinary care that you have come to expect from Covenant.

Whether an employee, a member of the community, a physician, a grateful patient or simply a supporter of health care, I encourage you to consider supporting this year’s Annual Fund effort.

I pledge that we will continue to work hard to earn your trust in the days, weeks, and years ahead. Please consider helping Covenant continue to be the hospital of choice in the Great Lakes Bay Region.

I look forward to you joining me in supporting this year’s Annual Fund effort, and THANK YOU in advance for your past and present support.

Ed Bruff
President/CEO

Every Dollar Counts

Covenant HealthCare Foundation supports Covenant HealthCare by raising funds through the generosity of businesses, foundations and individuals like you. Dollars donated to the Foundation are utilized throughout the hospital to support lifesaving equipment and programs.

Departments within the hospital are eligible to apply for dollars held at Covenant HealthCare Foundation. Thanks to our donors, hundreds of requests were fulfilled during our 2017 fiscal year (July 2016 to June 2017).

129 people were cared for in a warm home environment thanks to donations to the Visiting Nurse Association James E. Cartwright Care Center. Many donations came in honor or in memory of past patients, from loved ones wanting to support this worthy cause.
