

Fun Packs

for Covenant Kids

As a non-profit hospital, Covenant HealthCare relies generously on the support of caring community members to help us provide the highest level of care to children who visit us.

By assembling Covenant Kids Fun Packs, you'll bring a smile to our young patients faces and their caregivers. These activity-filled packs are used in a variety of areas throughout the hospital to welcome patients and families during their visit.

Whether you assemble one pack or hundreds of packs, the smiles will be long lasting.
