

COVENANT Alumni

COMMUNICATOR

EDITION 3 • DECEMBER 2016

Over the years, the Foundation has heard from numerous retirees about fond memories of days working at the organization. Many miss relationships with former co-workers and staying up-to-date with latest developments at the hospital. As another way to keep alumni connected, we are now producing this publication three times per year. These inserts will include updates with information submitted by retirees to share life events, awards, honors, and other news as submitted by alumni.

UPDATES FROM OUR ALUMNI

Florence Hernandez Sandoval (Saginaw General) Retired in 1972

"I worked at Saginaw General Hospital on the recovery team and then the recovery room behind the elevators on 5th floor for almost 25 years; [spent] two years in ICU, and 1.5 years in the OR, then retired in 1972. After that, I volunteered for over 1000 hours in EMR. Then, I worked for General Motors in the Medical Department and retired again with almost 16 years as an industrial nurse. I got married to Larry T. Sandoval and moved to Florida. What a culture shock moving to Florida! Bugs, insects, and more of them flying, walking or just running all around you. But after almost 30 years, one gets over it and can kill them without screaming. I missed people so I now volunteer at the Winter Haven Hospital and at the Haley Clinic for eight hours a week. Sorry, I was not able to be at the reunion this year. Good luck to all and enjoy your retirement as I have."
