EVENTS

AUGUST 5 & 6, 2026

Apple Mountain Resort, Freeland

Two days. Four events.
Two extraordinary causes.

Proceeds from these events fund equipment and programs to enhance the quality of patient care available through Covenant Cancer Care Center and Covenant at Home (formerly known as Covenant Visiting Nurse Association).

Last year's sponsors and participants made the following purchases possible:

- Fluid warmers for the infusion center at the Covenant Cancer Care Center, making treatments more comfortable for patients.
- Support services offered to the community by Covenant at Home (formerly Covenant Visiting Nurse Association) related to hospice and palliative care programs.
- And so much more!

Please consider joining us as we support the mission of providing extraordinary care for every generation!
