Human Subject Protection Training

Covenant HealthCare is a member of the Society of Clinical Research Sites (SCRS). A benefit of that membership is free access to required educational courses offered by the Association of Clinical Research Professionals (ARCP). Two required modules; Good Clinical Practice (GCP) and Ethics and Human Subject Protection Training are available for all investigators participating in research at Covenant HealthCare.

The process for accessing the ACRP training is as follows:

- 1st you must register for a free account with ACRP
- 2nd you must register for a free account with SCRS. After you secure the SCRS account, then you can access the training modules

FIRST-Register at ACRP

- 1. click here for ACRP Membership
- 2. Click the "Join Today" button and complete your registration with ACRP. Log out when complete

SECOND-REGISTER at SCRS

- 1. click here for SCRS Membership
- 2. Click "Join SCRS" in the top right corner

3. Complete the information under "Create Account

Crosto /	Account

New to this si	te?
New to this site or unsure if y	nu've used this site before,
enter your information below s	nd click Continue.
First Name: *	
Last Name: *	
Email: *	
Postal Code: *	
	Continue

- 4. Under "Organization Information"
 - Click the button for "I am affiliated with an organization"
 - Type in Covenant Membership Number: 3178

5. Once the steps above are completed, you will receive an activation email from "SCRS" or "Society of Clinical Research Sites."

Follow the links in the email to activate your membership for SCRS.

6. Once you have created an account in SCRS, you should remain logged in. If you are NOT logged in at this point, click here <u>SCRS</u> and click the "member log-in" link (red circle below)

7. Go to the "Membership" tab and toggle to the "ACRP Good Clinical Practice (GCP) Training to access the link to the training modules and click. Follow and click the next link to access membership benefits.
