

This document shows the procedure codes that require authorization for BCN HMO and BCN Advantage members and are managed by BCN. The list may not be all inclusive. In addition, this list is updated from time to time and is subject to members' benefits, to medical policy changes and to updates to American Medical Association coding guidelines.

To search for a code, press CTRL+F on your keyboard and type the code in the search field.

If you think a code may require authorization but it isn't listed in this document, call the appropriate number to inquire:

- For behavioral health codes for BCN HMO, call 1-800-482-5982.
- For behavioral health codes for BCN Advantage, call 1-800-431-1059.
- For non-behavioral health codes, call BCN Utilization Management at 1-800-392-2512.

Note: This list doesn't include codes for experimental or investigational procedures or codes for "not otherwise classified (NOC)," "unclassified," "unlisted" or "unspecified" procedures. However, these procedures typically require authorization.

You can find additional details about the services represented by these codes in the tables in the [BCN Referral and Authorization Requirements](#) document.

This document doesn't include codes that are managed by vendors for BCN or codes for medical benefit drugs. See the table below for links to resources that contain these codes.

Note: These resources are also available in the BCN section of the ereferrals.bcbsm.com website.
