# COVENANT Pharmacy Residency Program

## APPLICATIONS

Completed applications and all it's materials must be submitted by Friday, January 3, 2020. Pharmacy Online Residency Centralized Application Service (PhORCAS) must be used for the submission of all application materials. The following material are required:

- Letter of intent (no longer than one page, single spaced, size 11 font)
- Curriculum vitae
- Official transcripts from College of Pharmacy
- Three letters of recommendation

The Covenant HealthCare Pharmacy Residency Program participates in the American Society of Hospital Pharmacists (ASHP) National Match Program. All applicants must participate in it as well.

Two residents are accepted into the program with a start date in late June. By accepting a position, the resident agrees to complete 12 months of residency training and all other requirements of the program before being awarded a certificate of completion.

The Covenant HealthCare Pharmacy Residency Program's code is: 276113. For additional information about the National Match Program, please visit <https://natmatch.com/ashprmp/>

## INTERVIEWS

Interviews will be held on Tuesdays or Fridays and last a full day. Applicants selected for an interview will complete a 15-minute presentation to the Covenant HealthCare Residency Advisory Committee.

# Activities

## TEACHING

Residents will have the opportunity to participate in the Pharmacy Education Development and Lecture Series (PEDALS) through Ferris State University College of Pharmacy. PEDALS affords pharmacy residents the opportunity to work closely with faculty members of Ferris State University College of Pharmacy to develop a teaching philosophy, attend development seminars and facilitate a didactic lecture. Residents who successfully complete all PEDALS requirements will receive a certificate of completion from Ferris State University College of Pharmacy.

## CONTINUING EDUCATION PRESENTATION

Residents will present a formal presentation to members of the pharmacy staff on a topic of their choosing. The presentation will be certified through Accreditation Council for Pharmacy Education (ACPE) for one hour of pharmacist CE credit.

## RESEARCH PROJECT

Residents will select a research project in an area of interest from a list of projects provided by the pharmacy preceptors in July. Successfully completing the research project will require obtaining Institutional Review Board (IRB) approval, gathering and analyzing data, preparing a written manuscript, preparing a poster to present at the Resident Poster Session at the ASHP Midyear Clinical Meeting in December. Residents will also have the opportunity to formally present their research project at the Great Lakes Pharmacy Resident Conference in April.

## STAFFING RESPONSIBILITIES

Residents will work every third weekend, performing order verification and clinical duties. Staffing will be between the hours of 7 am and 3:30 pm. Residents will also be responsible for staffing seven additional shifts during the month of December.

## ADDITIONAL PROJECTS

Residents will complete a drug monograph and medication use evaluation that will be presented to the Pharmacy and Therapeutics Committee. Residents will also prepare a pharmacy newsletter to share information from a Pharmacy and Therapeutics Committee meeting throughout the hospital.
