## Online Lab Ordering Back Online

The Covenant HealthCare Laboratory test directory and online supply ordering website is now available at [www.Covenantlab.com](http://www.Covenantlab.com). To order laboratory supplies/lab requisitions:

- Access [www.Covenantlab.com](http://www.Covenantlab.com) using your web browser
- Click on the “Lab Supplies” link in the middle of the page
- Sign in using your assigned username and password
- Order supplies as needed

Your office should have received a memo with user login information. If you did not receive this or if you need assistance with the ordering process including help with your username and/or password, please contact Kristin Martuch at 989.583.6719.

## Welcome New Hospice Liaison!

Please join us in welcoming Tiffany Leiter, RN to the Covenant VNA Hospice Liaison Role. Tiffany is available for consultation at all Covenant campuses and in-home. Consults include informational visits, patient evaluations and support to both patients and families considering hospice or palliative care. Tiffany can be contacted via “Hospice Consult” in Epic or by phone at 989.751.3864. She is available on site from 8 am-4:30 pm Monday-Friday with VNA Home Care Liaisons covering on the weekends.

“Hospice is adding life to days, when days can no longer be added to life”
