

RNICU Care Cloths for Covenant HealthCare

Please contact Volunteer Services with questions at 583.6040 or volunteering@chs-mi.com.

Thank you for your extraordinary support.

The RNICU Care Cloths are used to shield the babies' faces and minimize stress as staff assess their bodies.

Material: Two layers of fabric (cotton or fleece.) One layer should be a solid, dark color and the other can be any type of print or solid colors.

Sturdy: Thick enough so that staff can tent it above the infant's face (shown below). Some top stitching can also be added to create stability.

Size: Approximately **8.5 inches by 12.5 inches.**

Please reach out to Volunteer Services with any questions you may have.
